LEGIONAIRES

Dear Alma American Legion Post 224

Checkout our website for up-to-date information...
www.americanlegionpost224.org

Another year has come and gone. Don't they just keep getting shorter each year? I hope that you have all enjoyed your holidays and the bitter cold Christmas that it was. We can be grateful however that we did not suffer through it as many parts of our nation did. As we enter into 2023 let us be ever mindful of those that we have lost this past year and pray for the healing within their families and friends. If you would allow me, I would like to extend a thank you to all who have been so devoted to Post 224 - Those who have given their time to the betterment of our organization through their volunteer efforts and those who simply participate by being a voice at monthly meetings. I'm sure that our attendance has been greater in the past and it is understandable as our average age has increased dramatically and in turn, our abilities to remain active. If we are to survive however as a Post we must continue to do what we can when we can and so I encourage, dare I say challenge those of you who are able to help us to continue to serve one another and the community. It would be so nice to meet more of you at events and meetings.

Respectfully,
Gary Jepsen, Commander
